OMB No.: 0938-

STATE PLAN UNDER TITLE XIX OF THE SOCIAL SECURITY ACT

State: Kentucky

MORE LIBERAL METHODS OF TREATING INCOME
UNDER SECTION 1902(r)(2) OF THE ACT*

☐ Section 1902(f) State ☒ Non-Section 1902(f) State
Income Disregards - Categorically and Medically Needy, Non-Cash Recipients

With regard to the aged, blind, and disabled, (excluding pass-through and protected groups), the state agency uses the same methodologies as SSI with minor variations specified below.

Method of averaging and/or considering income received on an irregular basis:

- ** a. Income from wages (including spot labor, part time labor and agricultural employment) is averaged based on the last available month's income.
- ** b. Commission income (e.g., from real estate sales) is averaged based on the last available three months' income.
- ** c. Lease income (e.g., oil and gas leases) is averaged over the lease span (usually a year) even though the lease payment may be at intervals other than monthly (e.g., semi-annual or annual). Note: Changes of circumstances are taken into consideration in determining availability of income.

** In currently approved state plan.

*More liberal methods may not result in exceeding gross income limitations under section 1903(f).
